

Cleveland High School

2018-2019 Continuous Improvement Plan At-a-Glance

<p>GOAL 1: Academic Goal: All students will show growth in Academics</p>	<p>GOAL 2: Advocacy - Teachers and leadership will work to create increased opportunities for art and sciences.</p>
<p>Tier II and III Classroom Instruction:</p> <ul style="list-style-type: none"> • Students in need of intervention are identified using a variety of data. • Interventions and remediation opportunities are as follows: • PST meetings monthly • Grade level collaborative meetings • Reading intervention classes as needed • RTI • Data-driven Tier II Instruction • Technology Improvements • After school tutoring that is free to students two days a week. <p>Tier I Classroom Instruction:</p> <ul style="list-style-type: none"> • We will continue our focus on standards based instruction. • We will continue to increase the use of technology to allow students to access content in multiple ways. • Grade level collaborative meetings will be held monthly. • PST meetings will be held monthly. • Teachers are participating in MDC and LDC professional development. • Language arts teachers are participating in quality questioning professional development. • The teachers will be adding an emphasis on writing in their instruction this year. • Library Enhancement: To support student engagement in reading, the library is reorganizing/reclassifying by genre. Additional books and student supplies will be purchased to support this process. 	<ul style="list-style-type: none"> • This is being met by our 8th-period classes this school year. • 7th & 8th graders are in classes in which they are focusing on study skills, character education, and soft skills. • 9th - 12th graders are in a class with their mentors (club sponsors or coaches). <p>GOAL 3: Support of English Learners (EL)</p> <ul style="list-style-type: none"> • EL students will receive core instruction from classroom teachers. • Data is reviewed and students are supported in their effort to master the English Language. <p>GOAL 4: Increase Family Engagement at Cleveland High School</p> <ul style="list-style-type: none"> • We have increased the safety of our learners and out teachers by installing 'Raptor Ware' which is a tool to help schools identify potential threat by visitors entering the school. • Regular meetings are held to encourage family participation in the school: Athletic Boosters, Parent-teacher conferences, Parent nights, Meet-your-teacher day, a spring band concert, and more. • Teachers use technology to communicate with parents and continuously look for new methods of outreach (e.g., Remind 101, Google Apps for Education, etc.). • Summer camps are offered to engage students.

Other School Highlights:

- \$17,000.00 in Blount County education Foundation Grants supported our local school for the 2017-2018 school year.
- Our senior class was accepted \$414,708.00 in scholarship money in 2017-2018.
- Our graduation rate is consistently above 90%.
- Our School scored a B+ on the state wide report card
